

**EUROPEAN NORMATIVE MONITORING CENTER:
SERVICE EXTENDED TO CITIZENS AND COMPANIES VIA THE “ABRUZZO-
EUROPA” WEBSITE**

With the **Normative Monitoring Center**, the **Abruzzo Region** wants to develop a flexible and effective compendium gathering the **European directives** and **regulations** which are of particular interest for the region.

The publication is produced on a **quarterly basis** by the **Brussels’ office**, and is intended for **officials** and **administrators** from the regional body, as well as the other **bodies** and **institutions**, as an instrument of knowledge to support decision making at local and regional level.

Furthermore, from now on, the publication will be freely available for citizens and companies through the **“Abruzzo Europa”** website, where other similar information products are also available:
